

# SAPCC ANNUAL REPORT 2023

Despite the challenges that recent years have presented, FY 2023 was a year of growth for SAPCC. In addition to acquiring a new building, being named Springfield's Organization of the Year, and hiring a new Executive Director, we expanded our programming in several ways to better serve the current needs of our community! For the latest SAPCC news, follow us on social media and sign up for our seasonal newsletter. All of these communication tools can be found through our website at [www.sapcc-vt.org](http://www.sapcc-vt.org) or call (802) 886-5242 for more information.

“ This place has been an amazing journey for our family. So very blessed to be part of the Parent Child Center. Teachers and staff are beautiful, caring human beings. ”

SAPCC was incorporated in 1992 and is one of 15 Parent Child Centers in the state of Vermont making up the VT Parent Child Center Network. We serve southern Windsor and northern Windham counties. SAPCC is a 501(c)3 nonprofit organization governed by a volunteer board of directors. We believe that healthy families are the cornerstone of a strong community. Our campus in North Springfield continues to grow, where nearly 40 employees, dozens of committed volunteers, and hundreds of donors build bridges of support for nearly 12,000 individuals each year.

The strength and dedication of SAPCC's staff is unmatched. Our professional team includes educators, nurses, a speech and language pathologist, a physical therapist, social workers, and mental health clinicians - all who continue to meet the increasing needs of families in our region each and every day.

SAPCC builds bridges of support for children, families & caregivers by fostering relationships, establishing a culture of learning, and engaging in community collaborations to shape opportunities for the world around us.

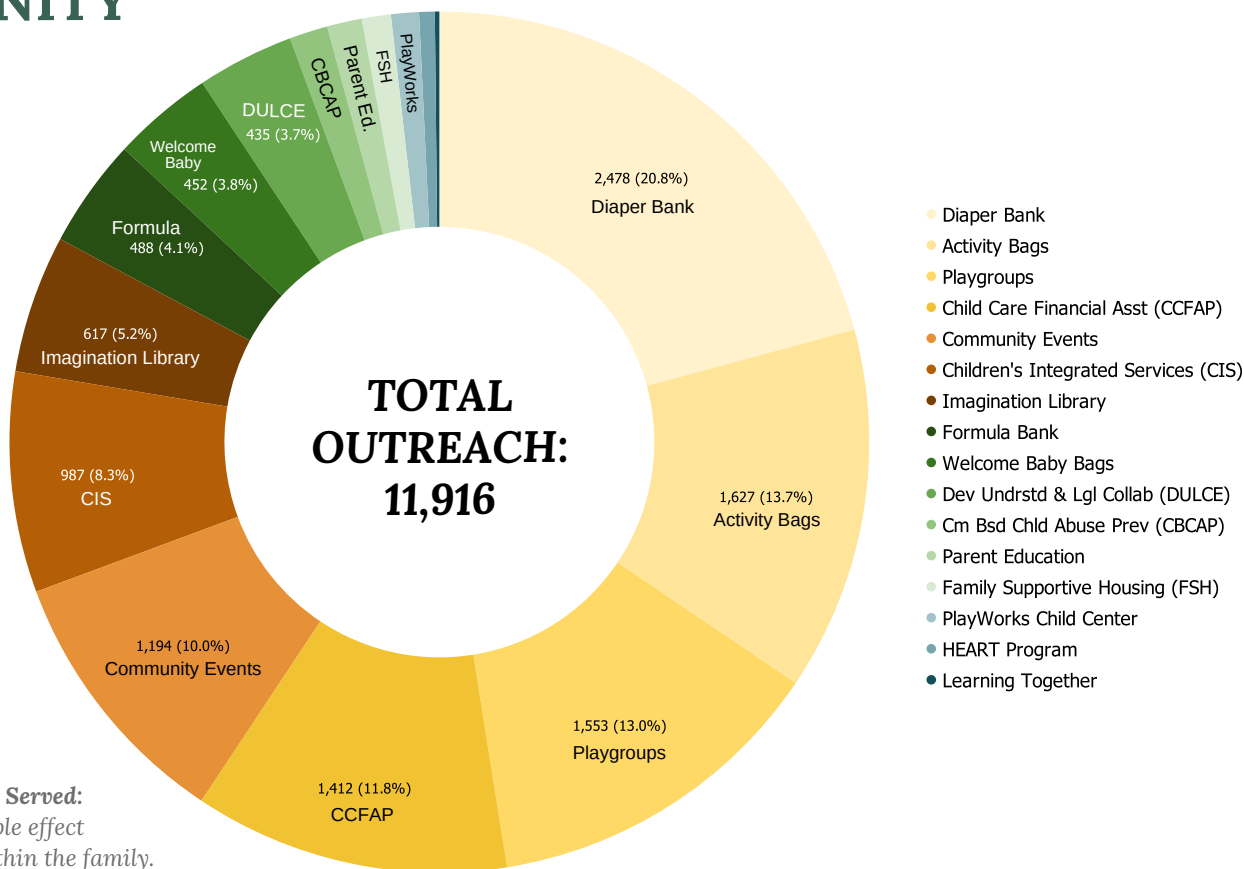

Graduates from the Learning Together Program's class of 2023 enjoy a prom-style celebration with program coordinator, Jenna Wheeler (left)

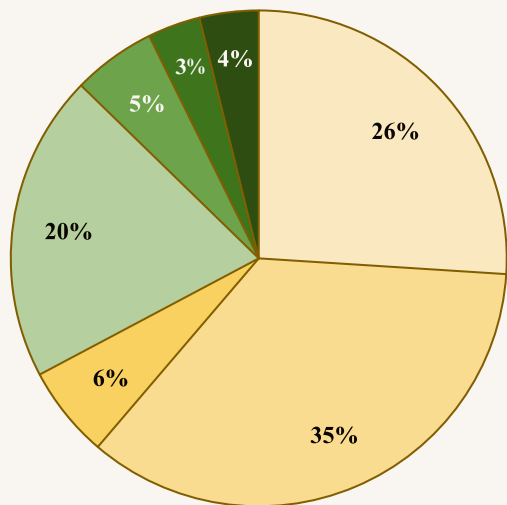

Our new "SAPCC Workforce Development & Training Center" is bustling with professional development opportunities, including the UVM 4-H Babysitter Certification Course!
